Important Tour Information:

Book Now rates valid until Aug 22, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

The visit to Krka National Park will require you to climb several flights of stairs without assistance of handrails during some intervals.

The Blue Cave requires you are able to use a non-stationary gangway that requires some agility.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

****Depending on the weather conditions, ship may be docked in Vis port or in Komiža port.**

The days and order of sightseeing may change to best utilize your time on tour. Order of sightseeing on board the ship may vary based on departure and weather conditions and is at the sole discretion of the cruise line.

***Both the boat ride to Skradin and the Blue Cave operate on a weather-permitting basis and depend on water conditions.**

Cabins are available on the Lower Deck, Main Deck, Upper Deck, and Sun Deck. Upgrades may be available to the Main Deck, Upper Deck, and Sun Deck. Cruise ships have a limited quantity of cabins available in each category. We will make every effort to accommodate your cabin category preference at time of booking. If the cabin category preferred is not available, the next closest category available will be offered and a surcharge may apply. Stateroom numbers will be supplied upon arrival at the ship.

If your departure is on an alternate ship, *MS Avantura* or *MB Adriatic King*, cabins are available on the Lower Deck and Main Deck. Upgrades may be available to the Main Deck.

Embarkation in Šibenik is after 2:00 p.m. Disembarkation in Dubrovnik is no later than 9:00 a.m.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple rooms are not available.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Air travelers will arrive into Zagreb airport and depart from Dubrovnik airport.
